## Answer

THE MINISTER OF STATE (INDEPENDENT CHARGE) FOR POWER,
COAL, NEW & RENEWABLE ENERGY AND MINES

( SHRI PIYUSH GOYAL )

(a) to (e) : Government of India has sanctioned a scheme for importing spot Re-gasified Liquefied Natural Gas (RLNG) in 2015-16 and 2016-17 for the stranded gas based power plants as well as for plants receiving domestic gas upto the target Plant Load Factor (PLF) selected through a reverse e-bidding process. The scheme provides for financial support from PSDF (Power System Development Fund). The scheme envisages sacrifices to be made collectively by all stakeholders, including the Central and State Governments by way of exemptions from applicable taxes and levies/duties on the incremental RLNG being imported for the purposes. 3 Phases of auction of e-bid RLNG have been completed so far and 4th Phase is presently under operation from 1st October, 2016 to 31st March, 2017. Under the 4th Phase, Power System Development Fund (PSDF) support ranging from Rs 0.21 per unit to Rs 0.22 per unit has been secured by the successful bidders in the reverse auction.
